To use the unique qualities of an outdoor setting for developing Christian commitment, character, leadership, and service, and to provide a place for retreat, worship, study, fellowship, recreation, and personal development for individuals, families, and groups.

- In early May, Bryan Smith's service as camp director ended leaving the remaining full-time staff, summer staff, and board members working hard to fill in the gaps. We are thankful for the years that Bryan served this ministry.
- Crystal Barr was hired as the new camp cook in June. She is excited to be a part of the ministry of Camp Men-O-Lan.
- As of August 18th we have a new Executive Director. Richard Brewer has come to Men-O-Lan with 10 years of camping experience. He is excited to tackle the work ahead, and brings excitement and vision to his role as director.
- We concluded another summer season at Men-O-Lan full of the knowledge of God's grace and glory. God worked mightily through the summer staff in the overnight camps and day camps.
- The summer handed us some extra challenges in the form of storm damage. Thankfully, no one was hurt but falling trees and limbs damaged cabin roofs and porches, the chapel in the woods, and the obstacle course. Maintenance personnel and volunteers continue to work at those repairs. God proved faithful as none of this interrupted the work at the camp.
- Our annual fund raising events included Summerfest and the Sporting Clay Event. Both events proved to be very successful and both provided a day of enjoyment for many.

We are very grateful for the support of the community, our volunteers, our staff, and our donors. It is because of you that we are able to make a difference in affecting many lives for His kingdom through the ministries of Camp Men-O-Lan.
