

Mandated Reporter Training Affirmation Form New Jersey

This form acknowledges that I, _____, as a resident of the State of New Jersey understand that New Jersey is a mandatory reporting state. "This means that any person with reasonable cause to believe that a child has been abuse or neglected must report those concerns or findings immediately."

I have reviewed the information provided by the State of New Jersey Department of Children & Families at <http://www.nj.gov/dcf/reporting/how/> on how to make a report and the information I would need to provide should I need to make a report. I understand my obligations as a mandated reporter, and that all suspected child abuse and neglect must be reported to the State Central Registry at 1-877-NJ ABUSE (a toll-free, 24-hour, 7-day-a-week hotline).

I am aware that there is a training "Reporting Child Abuse and Neglect, What School Personnel Need to Do" that Franconia Conference recommends I complete and can be accessed at:
<http://www.state.nj.us/education/students/safety/socservices/abuse/training/>

___ I have completed the "Reporting Child Abuse and Neglect, What School Personnel Need to Do"

___ I have NOT completed the "Reporting Child Abuse and Neglect, What School Personnel Need to Do"

If/when an adequate training on mandated reporting becomes available within the State of New Jersey, I agree to complete the training as soon as possible, and supply Franconia Conference with verification of my completion.
