a history of the ottoman incorporation of arab lands that shows how

gentlemanly salons shaped culture society and governance historians have typically linked ottoman imperial cohesion in the sixteenth century to the bureaucracy or the sultan s court in empire of salons helen pfeifer points instead to a critical but overlooked factor gentlemanly salons pfeifer demonstrates that salons exclusive assemblies in which elite men displayed their knowledge and status contributed as much as any formal institution to the empire s political stability these key laboratories of ottoman culture society and politics helped men to build relationships and exchange ideas across the far flung ottoman lands pfeifer shows that salons played a central role in syria and egypt s integration into the empire after the conquest of 1516 17 pfeifer anchors her narrative in the life and network of the star scholar of sixteenth century damascus badr al din al ghazzi d 1577 and she reveals that arab elites were more influential within the empire than previously recognized their local knowledge and scholarly expertise competed with and occasionally even outshone that of the most powerful officials from istanbul ultimately ottoman culture of the era was forged collaboratively by arab and turkophone actors alike drawing on a range of arabic and ottoman turkish sources empire of salons illustrates the extent to which magnificent gatherings of ottoman gentlemen contributed to the culture and governance of empire

paul s letter to the galatians is one of the most beautiful ever written showing us the good news of the gospel thereby magnifying god s great love to the human race the author of this book dr ellet j waggoner was not only an excellent physician but an evangelist and co editor of the signs of the times at the 1888 minneapolis general conference of seventh day adventists young e j waggoner delivered a series of lectures on the book of galatians the message of salvation only by faith in jesus christ was martin luther s great theme out of which was born the protestant reformation of the sixteenth century the glad tidings reemphasizes this wonderful message and portrays the righteousness of christ

the book of hebrews appeared during a critical time in the history of the early church the destruction of jerusalem was impending and many of the believers believed the end of the world was near however paul warned the church against entertaining a false hope for he knew they were misguided with their beliefs it was a critical time the apostles were passing away and soon the church would be left alone it was in this hour of perplexity that the book of hebrews appeared with needed light and comfort the people needed a clear conception of the work christ was doing for them in the courts above and this book explained the delay in his return and restored their wavering faith the conditions and problems which the church then had to meet are not unlike those facing the church today while the early church was living at the time of the fulfillment of the first part of christ s prophecy the destruction of the city of jerusalem and the temple we are living at the time of the fulfillment of the second part of the prophecy the coming of the lord jesus in the clouds of heaven as there was misconceptions of christ s work in the sanctuary then so there are those now who likewise err there is as much need today of a thorough study of the scriptures as there was then and more so the book of hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of jerusalem and it is hoped that a discussion of the mighty themes of the book of hebrews will be of some help to the church of god today all need to have their eyes fastened on our great high priest and the work he is doing in the sanctuary above and may it be the blessed privilege of many with boldness to enter into the holiest by the blood of jesus by a new and living way which he hath consecrated for us through the veil that is to say his flesh heb 10 19 20 this was the prayer and hope of the author of hebrews and this also is the hope of the author of this volume

god has provided a way for all people not just scholars to know that the bible is the word of god john piper has devoted his life to showing us that the glory of god is object of the soul s happiness now his burden in this book is to demonstrate that this same glory is the ground of the mind s certainty god s peculiar glory shines through his word the spirit of god enlightens the eyes of our hearts and in one self authenticating sight our minds are sure and our hearts are satisfied justified certainty and solid joy meet in the peculiar glory of god

the life of david is a message of meditation based on the bible and written by arthur walkington pink was born in nottingham england to a corn merchant a devout non conformist of uncertain denomination though probably a congregationalist otherwise almost nothing is known of pink s childhood or education except that he had some ability and training in music as a young man pink joined the theosophical society and apparently rose to enough prominence within its ranks that annie besant its head offered to admit him to its leadership circle in 1908 he renounced theosophy for evangelical christianity desiring to become a minister but unwilling to attend a liberal theological college in england pink very briefly studied at moody bible institute in chicago in 1910 before taking the pastorate of the congregational church in silverton colorado in 1912 pink left silverton probably for california and then took a joint pastorate of churches in rural burkesville and albany kentucky in 1916 he married vera e russell 1893 1962 who had been reared in bowling green kentucky pink s next pastorate seems to have been in scottsville then the newlyweds moved in 1917 to spartanburg south carolina where pink became pastor of northside baptist church by this time pink had become acquainted with prominent dispensationalist fundamentalists such as harry ironside and arno c gaebelein and his first two books published in 1917 and 1918 were in agreement with that theological position yet pink s views were changing and during these years he also wrote the first edition of the sovereignty of god 1918 which argued that god did not love sinners and had deliberately created unto damnation those who would not accept christ whether because of his calvinistic views his nearly incredible studiousness his weakened health or his lack of sociability pink left spartanburg in 1919 believing that god would have me give myself to writing but pink then seems next to have taught the bible with some success in california for a tent evangelist named thompson while continuing his intense study of puritan writings
